

## Gift Aid Report for Annual General Meeting 2018

The following figures show the amount of tax reclaimed from the Inland Revenue for the last three years. I have shown the figures claimed in the Church's financial year as opposed to the tax year.

Church Year	Gift Aid Giving	Tax Reclaimed	Enhanced Total
2015	£32,317.00	£9,240.00	£41,557.00
2016	£30,643.00	£8,917.00	£39,560.00
2017	£26,249.00	£7,466.00	£33,715.00

The Gift Aid total has decreased this year but thanks should go to people for their continued giving.

As you can see from the figures, the amount of tax that we can reclaim does make a great difference to the Church finances and we are very grateful to everyone who continues to donate to St Mary's regularly and particularly to those who are able to do so under Gift Aid.
