

Youth & Drama Group (FX – Fresh Expressions) Report for the Annual General Meeting 2018

Youth Group continues to be well attended with an average of 45 young people attending our monthly meeting in the Church Hall. We meet on the 1st Sunday of the month (except August) between 6:30pm and 8:30pm.

We continue to have lots of varied activities to cater for all tastes.

Football, Dodgeball, Hockey, Table Tennis, Pool, Air Hockey and Table Football, and lots of crafty things to make and take home. The food table is always popular with both members and leaders.

During the year we supported Pathfinder Dogs by collecting plastic screw tops and stamps. People from all over the area collected for us and over 20 black bin bags of tops went to Wishaw in Scotland plus 1 bin bag of stamps. By doing this we have helped train an assistance dog for blind people.

We received £173.65 from the WISH campaign, and the money went towards new equipment.

During the year we have had support from Big Kids, without whose help Youth Group would have struggled to operate.

We are becoming desperate for leaders/young leaders! It is a very worrying situation because as leaders leave or step down there are no new leaders forthcoming. So if anybody reading this knows someone who could help, PLEASE get in touch with me.

I would personally like to thank all the young people who come to Youth Group and ALL the leaders who give up their time, share their skills and knowledge to make Youth Group such a resounding success which we are rightly proud of.

*Margaret Morrell
Youth Leader*
